MEMORANDUM FOR: Special Security Center

THROUGH : DCI Security Officer

FROM :  Assistant Legislative Counsel

SUBJECT : Compartmented Accreditation for the Morgan/Schmitt  
Senate Select Committee on Ethics Subcommittee

1. (C) The attached letter from Donald G. Sanders, Special Counsel, Morgan/Schmitt Senate Select Committee on Ethics Subcommittee, dated 22 May 1978, confirms the Subcommittee's oral request for accreditation to handle and store SI material in Room 17, Russell Senate Office Building. My understanding is that the Domestic Security Branch and the Special Security Center, acting on the basis of the oral request, have already taken the necessary steps to provide the accreditation and that a written request from the Subcommittee was required to formalize matters.

2. (U) A written response to the Subcommittee should be drafted by the Office of Security for transmittal through OLC.
